FOOD AND AGRI BUSINESS

The Food and Agriculture Business Management curriculum at SIBM Nagpur is meticulously designed to cater to the dynamic needs of the industry. It ensures that students acquire comprehensive knowledge in essential areas such as Agri Input, Agri Manufacturing, Agri Tech, Agrochemicals, Dairy, FMCG, and Retail. Through a case-based pedagogy, students gain practical insights into the ever-changing landscape of the food and agriculture sector.

The students specializing in Food and Agriculture Business Management have been offered diverse roles, including Agri Business Development Executive, Market Analyst, Brand Manager, Management Trainee, and many more across various domains such as:

1. Agri Input
2. Agri Manufacturing
3. Agri Tech
4. Agrochemicals
5. Dairy
6. FMCG
7. Retail
